200241415	WEEDS	PRECUP, JIM	On 6-11-2009 I was contacted by Melinda Brenimer about a weed problem she was trying to resolve on her property. She said that she had been trying to deal with it for years but was having no success resolving the issue. She said that the problem had been caused by a well being operated by Noble and was a result of Noble not dealing with weeds on their well and battery site. I told her I would have a look at the property and get back to her.	04/07/2010
