RE: COGCC Rules 305, 306: 30-Day Surface Owner Advance Notice and Consultation
Staley 10-7
Staley 25-7
NESW Section 7, Township 6 North, Range 67 West
Weld County, Colorado

Dear Ladies and Gentlemen:

In accordance with the requirements of Rule 305.e. of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as advance notice by Bayswater Exploration and Production, LLC (Bayswater) of its intention to conduct drilling operations on the captioned wells located on your property. Bayswater, as operator, estimates operations to begin within 180 days, pending receipt of required permits, approval of title and drilling rig availability.

The proposed locations of the subject wells are as follows, with a Location Drawing attached for your reference:

Staley 10-7 NESW Section 7, Township 6 North, Range 67 West
Staley 25-7 NESW Section 7, Township 6 North, Range 67 West

As the surface owner, it is your responsibility to give notice of the proposed operations to any tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations.

Pursuant to COGCC Rule 306.a, the affected surface owner is entitled to a consultation with the operator. Enclosed is a Consultation Form and a self-addressed, prepaid envelope for your use in returning the Consultation Form with your election. Also enclosed is a copy of the COGCC's informational brochure for surface owners containing rules pertaining to notice of oil and gas operations and opportunities for consultation thereon.
