Description

Operator Comments:

This Form 4 is being submitted to modify the SHL. There will be no changes to the BHL. Please note, there have not been substantive changes to the SHL which would require a Form 2. No building units have been identified within 1,000' of the wellhead. The distance to building reflects the distance to building unit as shown on the attached plat. This well is not within a UMA. The distance to nearest public road has been updated to reflect the SHL distance to Divde Creek Rd (West of Pad Location). Change in SHL will not impact pad design, size, or shape.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
