Dear Director:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Encana Oil & Gas (USA) Inc. ("Encana") proposes to drill the above referenced wells at a surface location closer than 150' to a property line as defined by Rule 603.a(2). Encana is the offset surface property owner; therefore, no waiver is required.

Thank you for your assistance in this matter.

If you have any questions or comments, please contact me at 720-876-3364.

Sincerely,

Encana Oil & Gas (USA) Inc.
