Mr. Peterson,

I have attached a letter report, a summary table, the full laboratory analytical report, and photographs of the water well sampling that COGCC conducted on August 21, 2013.

Please call or email me if you have any questions about this material. Please let me know if you would like a hard copy of the attached material and I will put one in the mail.

Finally, in case you have not found it already, here is a link to the Colorado Division of Water Resources information on rainwater collection: <http://water.state.co.us/SurfaceWater/SWRights/Pages/RainwaterGraywater.aspx>
