### Best Management Practices

No BMP/COA Type

Description

--	--

Operator Comments:

Marathon Oil Co. requests continued TA status on the subject well because of the current market conditions. The well has a 4-1/16", 10,000# frac valve on the well. A 4-1/16" night cap flange is bolted to the top of the frac valve to provide additional security.
---

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
