Operator Comments:

Sundry to correct surface disturbance to 6 acres from 5 acres before interim reclamation. Location drawing and all other documents depicting surface disturbance was and remains correct. The total acreage amount was miscalculated from a 500' X 500' (well pad) plus 100' x 500' (production facility) planned disturbance.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
