General Comments

<u>User Group</u>	<u>Comment</u>	<u>Comment Date</u>
Environmental Data	Water well 292483 (receipt# 3660423) was permitted on 9/11/2013 after the oil and gas well had conductor pipe set. The water well was not viewable on the COGCC website until 10/09/3013. The water well is not required to be sampled under rule 609 for this oil/gas well because the conductor was set prior to the permit being issued by DWR.	10/21/2013 8:20:39 AM
Environmental Data	The operator Supplied information regarding DWR permit # 11400 indicating the well has been abandoned. See attachments.	10/21/2013 8:20:38 AM
