Operator Comments:

Noble Energy respectfully requests to change the target formation of this well from the Niobrara to the Codell. The TMD will change to 10998. New directional plan and directional data template attached. The Lease, Spacing, and Pooling information, SHL, BHL, and casing point locations will not change. A well name change is also included to reflect the revised target formation.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
