RE: Operator Request Letter to Rule 318A.m.
State of CO 1S-66-36-4841BH
State of CO 1S-66-36-6457CH
Section 36, Township 1 South, Range 66 West, 6th P.M.
Adams County, Colorado

Ladies/Gentlemen:

Bill Barrett Corporation (BBC) is proposing to drill the above referenced wells. As currently planned, the wellbores of the following wells which are operated by BBC will lie within the 150 feet of the horizontal lateral of the captioned wells:

State of CO 1S-66-36-4841BH

CO State A 33-36

State A-6

State of CO 1S-66-36-6457CH

State A-4

CO State A 24-36

State A-3

CO State A 44-36

Rule 318A.m. of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well(s). Bill Barrett waives the requirement, being the operator of the wells and acknowledges the nearness of the wellbores. BBC respectfully requests the director to accept this operator request letter to allow the above referenced well to be drilled within 150 feet of the well(s) listed above that is operated by BBC.

Sincerely,

A handwritten signature in purple ink that reads 'Venessa Langmacher'.

Venessa Langmacher
