Permit	As-drilled GPS has never been submitted but the pad appears to near where the well is spotting. Well is still producing oil.	9/17/2013 11:51:29 AM
Permit	I know that the apparent issue is "storage" but I am concerned about the well spot. It doesn't show on the aerial photo to be any disturbance at that point. I requested the operator submit "as built" information for any Westgate wells.	6/26/2013 8:10:24 AM
