Apologies Gary, the COGCC needs you to say you have no objections to waiving the comment period. Do you mind replying once more with:

“Hi Josh – the Town has no objection to waiving the comment period”

Thank you! (see below)

Jenifer,

I am sorry to be a stickler, but the LGD was supposed to say that he has no objection to waiving the comment period, not plugging the wells. Can you try again?
