Re: Notice of Intent to Conduct Surface Operations
CABOOSE 1548-21-44
Township 15S, Range 48W, Section 21
Cheyenne County, Colorado

Ladies and Gentlemen:

The Colorado Oil and Gas Conservation Commission ("COGCC") has adopted guidelines and procedures regarding oil and gas activities affecting the surface. These rules stipulate that an affected surface owner must be given advance notice in writing by an operator at least thirty (30) days prior to drilling an oil and gas well.

Anadarko E&P Onshore LLC intends to begin operations to drill the above captioned oil and gas well(s) upon approval of title, receipt of permits from the COGCC prior to April 30, 2014. As the surface owner, it is your responsibility to notify the tenant farmer, if applicable, of this proposed operation.

A site diagram of the proposed location of the well and any associated roads and production facilities is enclosed. Should you have any questions and/or concerns, please contact me at (720) 929-6094

Very truly yours,
ANADARKO E&P ONSHORE LLC

A handwritten signature in blue ink that reads "Michael P. Coder". The signature is written in a cursive style and extends across the width of the page.

Michael P. Coder
Land Manager

I/we waive the 30 day notice referenced above and approve of the operations commencing upon Anadarko's receipt of the drilling permit.
