Jan,

Thank you for sending me this updated Facility Drawing. Based on this drawing, it appears that Noble will now reclaim a portion of this oil and gas location. This drawing indicates that 8.62 acres will be reclaimed and 4.1 acres will be unreclaimed. Therefore, I will change the size of the location after interim reclamation from 13 acres to 4.1 acres. Will you provide me with updated dates for when construction will begin and when interim reclamation will begin?
