RE: COGCC Rule 318A.e.: Proposed Wellbore Spacing Unit
Windsor LV G-14H
SENE Section 14, Township 6 North, Range 67 West
Weld County, Colorado

Dear Mr. Lepore:

Bayswater Exploration & Production, LLC (Bayswater) is planning to drill the above referenced well in accordance with the provisions set out in COGCC Rule 318A.e. Bayswater's proposed wellbore spacing unit consists of:

Windsor LV G-14H
N/2 S/2, S/2 N/2, Section 14, Township 6 North, Range 67 West
Containing 320 acres

Bayswater is not the only owner within the proposed wellbore spacing unit and has provided notice to the remaining owners within this spacing unit, as required by COGCC Rule 318A.e.(6). Copies of the required notification letters are on file at Bayswater's office. The required thirty (30) day notice period has elapsed absent the receipt by Bayswater of any objection to their proposal by the owners within the proposed spacing unit for the subject well.

Enclosed is a copy of the Well Location Certificate and Plat Illustrating the proposed wellbore spacing unit to assist in your review and approval of Bayswater's proposed Application for Permit to Drill (APD) for the Windsor LV G-14H well.

Bayswater respectfully requests the COGCC review the enclosed information and approve the requested exception location waiver and APD for the Windsor LV G-14H. Many thanks for your attention to this matter.

Respectfully,

DeAnne M. Spector
Regulatory Analyst
Agent for Bayswater Exploration & Production, LLC
