Weld County, Colorado

Dear Mr. Bauer,

Synergy Resources Corporation plans to drill the above oil and gas well(s) from the described surface location. Drilling operations will commence in March of 2014.

Because this location is in an Urban Mitigation Area, Rule 305.a.(1) requires that you, the local County Designee be sent an Urban Mitigation Area Notice.

Please waive this requirement below showing your approval of the new well(s) being drilled at the location referenced above.

Should you have any questions, please contact Craig Rasmuson at 970-737-1073 or 970-518-6205.

Sincerely,

Craig Rasmuson
Chief Operating Officer
Synergy Resources Corporation
