09:57
030 water flowing clear - no sticks
seen - est. 15-20 ypr. moss
in channel
seep to w. same

Seep of est. - 50 ym same as
above.

Seeps not flowering.
All water looks clear - no visible
signs of pollution or stream

Dry, Dead, Rich area in @ saddle turn

Poreum about healthy - small fine, etc
I told you they will be pretty
- shoot off like

Cutted later (now to explain)
int.)
