Attn: Mr Lepore, Director

Bill Barrett Corporation (BBC) is proposing to drill the Anschutz Equus Farms 4-62-33-4956BH2 and the Anschutz Equus Farms 4-62-33-6457CH2. As currently planned, the wellbore(s) of the following well(s) which are currently DA status (Dry Abandoned) or PA status (Plugged Abandoned), will lie within the 150 feet of horizontal lateral of the captioned well(s):

Rule 318A.m. of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well(s). The operator(s) of the encroached upon well(s) are no longer operating and therefore a waiver cannot be obtained. BBC respectfully requests the director to accept this request to allow the above referenced well to be drilled within 150 feet of the DA well(s) listed above.

Sincerely,
