RE: Rule 603.a.(2) Exception Location Request
SWD #C3A Well: 826' FNL, 739' FWL, NWNW Sec. 32-T4N-R65W, Weld County, Colorado

Dear Mr. Lepore,

High Sierra Water Services LLC (HSWS) respectfully requests that you grant an exception to rule 603.a.(2) to allow the proposed SWD #C3A well to be located 84' from the nearest property line.

Rule 603.a.(2) of the Colorado Oil and Gas Conservation Commission's Rules and Regulations requires a well to be drilled at least 150' from a surface property line. HSWS has obtained a waiver from the affected surface owner. A copy of this waiver is attached. Thank you for your attention to this matter.

Should you have any questions please contact Clayton Doke at 720-420-5700 or 720-560-2700.

Sincerely,
