Ann,

Thanks for sending the Rule 306.e Certification Letter. How are things coming with obtaining the signed waivers from the above ground utility companies needed as part of the Variance Request?

Ann,

I just noticed something with this Form 2A. In the Operator Comments box on the submit tab you

indicate that Rule 303.b.(3)J.iii receipt certifications for Rule 305.a.(2) pre-application notifications to Building Unit Owners is attached and labeled as "Other". There is no attachment labeled Other on this Form 2A. Will you send this receipt certification to me. Thanks.

Doug,

Attached please find the Letter to the Director certifying that pre-app notifications were received by the building unit owners for the MSH Farms 15-P Pad. Pursuant to Rule 303.b.(3)J.iii, attached to that letter please find evidence of receipt. My apologies for this attachment being inadvertently omitted.

I am currently working on revising the 502.b. Variance Letter to the Director.

Many thanks for your patience.

Respectfully,

Ann Stephens
