Hi Dirk,

I need to have something in writing please, my brothers are having a fit. If you would type the following agreement and email it back to me please.

My agreement with you, Dirk Baysinger, an employee of Anadarko Petroleum, 4000 Burlington Avenue, Evans, CO 80620, #970-515-1062 is that you will locate, repair and seal an abandoned well that is located on my property and that you will build a road to the abandoned well, for your equipment to use for that purpose only.

Just OK this and email it back, please. That will be enough for me, or should I say them.

Thanx, Betty Levi, 2767 CR 39, Brighton, CO 80603, #303-536-4186.
