Dear Mr. Lepore,

Extraction Oil and Gas (Extraction) has filed a Form 2A Oil and Gas Location Assessment for the Hiner 36-Pad.

Pursuant to COGCC Rule 305.c. Extraction certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. Extraction received no requests for meeting and/or consultation. This letter serves as Operator Certification that Extraction has complied with COGCC Rule 306.e.

Extraction respectfully requests the COGCC approve the Form 2A for the Hiner 36-Pad. Many thanks for your consideration of this matter.

Respectfully,

Sonia Stephens
