### **Best Management Practices**

**No BMP/COA Type**

**Description**

--	--

Operator Comments:

This well is greater than 1 mile from a Niobrara producer in this same bench. We believe there is enough risk and unknowns in this concept that Bonanza Creek Energy, Inc. would be at a disadvantage to our competitors should we not be allowed the minimalist protections provided by withholding key information for the proscribed confidentiality period.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
