Denver, CO 80202

b. Location and a general description of the proposed Well & facilities:

Six (6) well pad and associated production facilities located at the southwest corner of CR 6 & CR 39

c. Anticipated date operations will commence:

Operations are planned to commence on First Quarter of 2014. The exact date will vary based upon the rig availability and other operational factors.

d. The Local Governmental Designee (LGD) contact information:

David Bauer, County Engineer- Weld County
970-304-6496 ext 3739
dbauer@co.weld.co.us

Mailing address:
Weld County
Attn: David Bauer
1111 H Street
Greeley, CO 80632

e. As a building unit owner, you may request a meeting to discuss the proposed operations by contacting the LGD or Operator.

f. "Notice of Comment Period" will be sent pursuant to Rule 305.c. when the public comment period commences. This notice will include additional information and an invitation to comment further.

You may contact the following individual concerning the proposed operations:

Clayton Doke
