### Best Management Practices

**No BMP/COA Type**

**Description**

--	--	--

Operator Comments:

<p>Per the COA for maintaining the constructed site for this well, BP is submitting an annual status:</p> <p>The Opal Lechner A 4 site is stabilized, weed maintenance (performed each spring) and stormwater management are in place on the well pad. Please see current photographs (attached).</p> <p>This well site had a COGCC inspection (Doc #674600022) on 2/20/14 citing corrective action to re-establish proper drainage through the culvert and underneath the lease road and to clean up and replace lost roadbase and gravel. BP is scheduled to complete the work on the road by the due date of 5/26/14.</p>
--

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
