SHL: SWNW Sec. 33 T4N-R62W 6th P.M.
Weld County, Colorado

Ladies/Gentlemen:

Bill Barrett Corporation (BBC) is proposing to drill the above referenced wells. As currently planned the distance between the horizontal laterals would be approximately 140 feet.

Rule 318A.m. of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well. Bill Barrett waives the requirement, being the operator of all three wells and acknowledges the nearness of the wellbores. BBC respectfully requests the director to accept this operator request letter to allow the above referenced wells to be drilled within 150 feet of each other.

Sincerely,
