**RE: COGCC Rule 306.e.: Meetings with Building Unit Owners within a Buffer Zone Setback
COGCC Rule 306.e.(5): Operator Certification
TWell 8-I Pad: W2SW4 Section 8, Township 6 North, Range 67 West
Weld County, Colorado**

Dear Mr. Lepore,

Extraction Oil & Gas, LLC (Extraction) has filed the Form 2A Oil and Gas Location Assessment (OGLA) for the proposed oil and gas location referenced above.

Pursuant to COGCC Rule 305.c., Extraction certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. By request, Extraction consulted with JSCS Farms, LLC, Building Unit Owner. All questions regarding drilling operations and time frame of the project were discussed with Josh J. Wood to his gratification. This letter serves as Operator Certification that Extraction has complied with COGCC Rule 306.e.

Extraction respectfully requests the COGCC approve the Form 2A for the TWell 8-I Pad. Many thanks for your consideration of this matter.

Respectfully,

Jennifer Grosshans
Regulatory Technician
Agent for Extraction Oil & Gas, LLC
