JP,

I understand that Dodek is no longer with LTE. Can you direct the request below to the appropriate staff member, as well as my former email regarding the Nelson A-6?

Please provide an update for Remediation Project #7976. A copy of the report prepared by LTE, submitted 8/29/13 and the approved Form 27 are attached for your reference.

Thanks,

Annie Clements Eckman, P.G.

Annie,

The Form 27 site status update and remediation workplan for the Arthur Edens #1 is attached for your review. If you have any questions feel free to give me a call.

Thanks,

Brian
