Jacob

I am reviewing the spill report for the Rohn State PC LD09-01 Tank Battery. Your comments reference The Rohn State PC LD09-01 API 05-123-33732, but your lat/long and attached map places the spill at the Rohn State LD 03-65-1HN Mti pad which has been assigned Location ID 433076.

The submitted eForm indicates No Existing Facility ID.

I propose changing this to to indicate Facility Type = Tank Battery and COGCC Location No: 433076. I can make this change for you; I just need you to verify the spill location and your approval to change your form.

Thanks
Rick
