Dear Director Lepore:

K.P. Kauffman Company, Inc. (KPK) is planning to drill the captioned horizontal well in accordance with the provisions of COGCC Rule 318A.e. KPK's proposed wellbore spacing unit consists of the S/2N/2 and N/2S/2 of Section 1-T5N-R67W, creating a 320 acre, wellbore spacing unit for the Codell Formation. KPK hereby certifies that pursuant to COGCC Rule 318A(e)(6) a thirty (30) day notice has been given by certified mail to all owners in the proposed wellbore spacing unit. We certify that the thirty (30) day period under said rule has lapsed and KPK has not received any objections to the proposed spacing unit, the wellbore orientation, the anticipated spud date, the size and shape of the proposed wellbore spacing unit, the proposed surface and bottom hole locations, the survey plat, or the location at which the wellbore penetrates the target location.
