Greeley, CO 80631

Dear City of Greeley,

Synergy Resources Corporation is proposing to drill multiple wells (eight) from the Wiedeman Property north and west of your property in the NE/4 of Section 5, Township 5 North, Range 66 West of the 6th P.M., Weld County Colorado.

The Colorado Oil and Gas Conservation Commission Rule 603.a.(2) requires Oil and Gas Operations within 500' of an "off-set" property to be acknowledged by the off-set owner. By signing this letter, you are acknowledging that Synergy has informed you of the proposed drilling and production location and you commit that your approval of the location.

"As a condition of the City's acknowledgement and approval below, within 90 days of the date of the City's acknowledgement and approval, Synergy Resources Corporation will initiate and seek revision of the approved Northridge Oil/Gas Use by Special Review permit so as to reduce the approved wells by eight. In addition, Synergy Resources Corporation will cause the RWL oil/gas well and associated equipment located on the Boomerang Golf Course to be Plugged and Abandoned and all equipment associated with this site to be reclaimed to the original surface conditions prior to the drilling of the wells shown on the attached well plats."

The City Manager is the appropriate signatory for the City of Greeley, and his signature should be dated..

As shown on the attached well plats, the wells will be within 500' of your property.

Synergy is required to get written authorization from you as the landowner to proceed with our State permitting process.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Craig Rasmuson', is written over a faint, larger version of the same signature.

Craig Rasmuson
Synergy Resources Corporation

I hereby acknowledge and approve of the O/G location:
