Arthur,

There are 7 water wells all owned by Wells Ranch. We have not been given permission to sample any of the seven wells.

Please let me know if you need anything else.

Thanks,

Subject: Wells Ranch AE19-615 Sundry Notice Doc #4006431547

Julie,

I count 7 potential water sources within the quarter sections within ½ mile. Please address the additional water wells. The Sundry will be placed on hold until all potential water sources have been addressed.

Thanks,

Arthur
