Re: Proposed well IGS 419

Mr. Lindeman,

My name is James Mach. I reside at 4650 CR 318,

Ignacio, Co. 81137, parcel # 5953-213-00-117. I am writing to inform you of my well (water) within the $\frac{1}{4}$ mile radius of the proposed IGS 419 gas well. I would like my well tested before and after the process of drilling the IGS 419 gas well to establish that the aquifer supplying my water well has not been affected by the operations.

Please let me know when any testing will commence and the frequency and duration of the testing.

Thank you,

James Mach
