I'm sorry about that. Would you please make the change in the comments?

Thank you.

Julie,

The comments section states that "Noble requests an exception to Rule 318.e(4) for the Gradishar State LD11-73HN Well Pad". The rule the exception is requested under should be changed to 609. Please let me know if you agree with the change and I will make it for you.

Would you please return it to draft? Thank you.

Julie,

This location is outside of the GWA area and is subject to rule 609. I can either delete the document and you can start over or I can return the document to draft status so you can make the necessary changes. Which would you prefer?

Thanks,

Arthur
