Dave,

Concurrence on one BMP for EE3's Evans 2-21H Pad and Hebron 01-18HR Pad locations.

Thanks,

Taylor Elm

Doug,

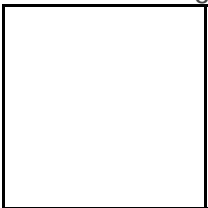

For the Hebron 01-18HR location we have one recommended BMP for your review and concurrence/further discussion:

1. Within greater sage-grouse production sensitive wildlife habitat conduct all construction activities outside the period of March 1 to June 30. **OK**

This would include construction for expanding the pad and drilling activities *if possible*. If there are any questions just let me know.

Thanks,

Taylor Elm
