Re: COGCC RULE 305.a (2) - Notice of Intent to Conduct Oil and Gas Operations

Dear Mr. and Mrs. Hudgeons:

On April 4th, we mailed you a Notice of Intent to Conduct Oil and Gas Operations. This notice was specific to the proposed DC-17 CO₂ well. In this letter, we explained that if for any reason you are unable to resolve your concerns through direct communication with Kinder Morgan, you are encouraged to contact your Local Government Designee (LGD). In this letter, we provided you with information for the Montezuma County LGD. We apologize for this error. The LGD for Dolores County is Ernie R. Williams.

Please forward your concerns in writing to Ernie R. Williams at the following address:

Dolores County
P.O. Box 608

Alternatively, you may contact Mr. Williams at (970) 677-2383 or dcdolocnty@fone.net to express your concerns.

Kinder Morgan is required by Dolores County to obtain approval of a Land Development Agreement (LDA) for this location. This entails additional public notification and approval by the Dolores County Planning Commission and Board of County Commissioners.

If you have any questions regarding the state or county notification or permit approval process, please feel free to contact me at (970) 739-0902.

Sincerely,

A handwritten signature in blue ink that reads "Bob Clayton".

Re: COGCC RULE 305.a (2) - Notice of Intent to Conduct Oil and Gas Operations

Dear Mr. and Mrs. Hudgeons:

As of August 1, 2013, the Colorado Oil and Gas Conservation Commission (COGCC) requires additional notification to surface owners about proposed locations of oil and gas development facilities. According to COGCC Rule 305.a (2), surface owners and/or occupants of any existing residences within 1,000 feet of the proposed oil and gas operation must be notified prior to the submittal of a Form 2A Oil and Gas Location Assessment. In compliance with this rule, Kinder Morgan CO₂ Company, LP (Kinder Morgan), is providing you with this pre-application notice.

Kinder Morgan intends to locate the DC-17 CO₂ well at the following location:

Coordinates: 37.75785 degrees N, -108.84940 degrees W
Tract 67, Section 4, Township 40 N, Range 18 W
11025 C.R. J, Pleasant View, CO 81331

The limits of disturbance for this proposed CO₂ well will encompass no more than 5.46 acres during construction; the size of the well location will be reduced to approximately 1/3 of an acre or less after interim reclamation. Construction is expected to commence in July 2014. Interim reclamation activities are expected to begin in January 2015.

Kinder Morgan encourages the surface owner to schedule a meeting with us to discuss any questions or concerns associated with the proposed CO₂ well. You are invited to report your concerns and to discuss potential mitigation measures regarding public health, safety, welfare, impacts to the environment, and nuisance impacts resulting from oil and gas development such as spills, odor, noise, dust and lighting associated with this proposed well. Please contact me at 970-799-1103 or [Bob Clayton@kindermorgan.com](mailto:Bob.Clayton@kindermorgan.com) to schedule a meeting or discuss concerns. Alternatively, you may contact Andrew Antipas, Kinder Morgan Project Manager, at 970-882-5534 or [Andrew antipas@kindermorgan.com](mailto:Andrew.antipas@kindermorgan.com). An Oil and Gas Location Assessment application will be submitted to the COGCC on May 04, 2014. Please contact Kinder Morgan before this date to ensure that your comments and concerns are incorporated into the application. A Notice of Comment Period will be sent pursuant to Rule 305.c. when the COGCC public comment period commences.

If for any reason you are unable to resolve your concerns through direct communication with Kinder Morgan, you are encouraged to contact your Local Government Designee (LGD). The LGD for Montezuma County is Planning Director Susan Carver. Please forward your concerns in writing to the Montezuma County Planning Department at the following address:

Montezuma County Planning Department
109 West Main, Room 305
Cortez, CO 81321

Alternatively, you may contact the Planning Department at (970) 565-2801 to express your concerns.

In addition to this state surface owner notification and planning process, Kinder Morgan is required by Montezuma County to obtain approval of a High Impact Permit for this location. This entails additional public notification and approval by the Montezuma County Planning Commission and Board of County Commissioners.

If you have any questions regarding the state or county notification or permit approval process, please feel free to contact me at 970-799-1103.

Sincerely,

Bob Clayton
Agent for Kinder Morgan CO₂ Company, LP
