COMMENTS

Water well owners within 1/4 sections with 1/2 mile of the planned well location were sent a request for sampling. Two of the well owners did not respond to the request and two land owners responded that they do not have wells on their property to sample. The remainder of the wells were not suitable for baseline sampling and were not sent requests for sampling. Attached is a map and list of water well owners contacted. This exception should be applied to the following wells:
