Environmental	<p>Sundry Notice 400663328 does not meet the criteria for an exception under Rule 318A.e.(4). The Sundry Notice is going to be denied for the following reasons:</p> <ul style="list-style-type: none"> <li>•Noble is still responsible to collect the sample under Rule 318.A.e.(4) even if the drill schedule changes,</li> <li>•Noble received access in adequate time to collect a sample from one several water wells surrounding the Coalville G02-64-1HN location,</li> <li>•This request is base on solely on Nobles internal issues and drill schedule changes are not a valid reason for a sample not to be collected.</li> </ul>	8/15/2014 8:14:22 AM
