Operator Comments:

Form 4 (doc #400642859) was submitted 7/10/14 and approved 7/14/14. Unfortunately the field request didn't include all of the equipment additions needed. There may be a problem with the ID for this location. The one associated with the well is 262964 but there is a location ID 331518 which also shows related to this well. Neither location ID show equipment listed on the site.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
