RE: Operator Exception Request Letter to Rule 318A.m.

SHL: NENW Sec. 15 T6N-R62W 6th P.M.
Weld County, Colorado

Ladies/Gentlemen:

Bill Barrett Corporation (BBC) is proposing to drill the above referenced wells. As currently planned, the horizontal laterals of these two wells will lie approximately 113 feet apart. Rule 318A.m. of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well. BBC is the operator of both wells and therefore no waiver is attached. Bill Barrett acknowledges the nearness of the wellbores. BBC respectfully requests the director to accept this operator request letter to allow the above referenced well to be drilled within 150 feet of the well listed above that is operated by BBC.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mary Pobuda', with a long, sweeping horizontal line extending to the right.
