### Best Management Practices

**No BMP/COA Type**

**Description**

Operator Comments:

This well will be a horizontal test of the Codell. We believe there is enough risk and unknowns in radically combining these concepts that Bonanza Creek would be at a disadvantage to our competitors should we not be allowed the minimalist protections provided by withholding key information for the prescribed confidentiality period.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
