P-32 Central Water Storage Impoundment  
SESE of Sec. 32 –T6S-R96W

Dear Ms. Tatham:

Berry Petroleum Company anticipates receiving approvals from Garfield County and the COGCC for the P-32 Water Storage Impoundment Facility. In anticipation of that approval, and a requirement of the above referenced organizations, Berry needs Encana's written permission to construct the facility.

If you have no objections to our proposal, please execute in the space provided below and return to my attention at the above letterhead address. Should you have any questions or concerns, please contact me at (303) 999-4214.

Regards,

  
Elizabeth Brian
