RE: 318A.m Exception Request

Pastelak 01N-64W-02-1C Well: 215' FNL, 1,256' FWL, Sec. 02-T1N-R64W, Weld County, Colorado

Dear Mr. Lepore,

Verdad Oil & Gas Corp. (Verdad) hereby respectfully requests an exception to COGCC rule 318A.m which states that no horizontal wellbore lateral shall be located less than one hundred fifty (150) feet from any existing or permitted oil or gas wellbore. The offset well (Schweitzer 11-2; API# 05-123-11025) has been evaluated per the COGCC Horizontal Offset Policy and the evaluation has shown that it was plugged sufficiently in October, 1997. Further, the operator (Patina Oil and Gas Corporation) that plugged the well is no longer operating the well or retaining any mineral leasehold in the subject section. Thus, Verdad respectfully requests the Director grant an exception for the need to obtain a waiver from Patina Oil and Gas Corporation for encroachment upon the Schweitzer 11-2. Should you have any questions or concerns please contact the undersigned at (214) 728 -1840.

Sincerely,

L. Arthur Beecherl, IV
Vice President of Operations
Verdad Oil and Gas Corporation
5950 Cedar Springs Road, Suite 200
