Operator Comments:

Per Request from Jill Dorancy, the APD for this location Doc # 400209059 was submitted and approved with the incorrect distance to the nearest lease line. The APD stated 757' to nearest lease, but should have stated 563' as the Federal lease line to the west of the location is closest. All other footages remain the same.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
