Operator Comments:

Per surface owner the Well Permit # 115027 is located in the incorrect location on the COGCC map, plus there is another well that is not listed on the map, so I do not have a permit # for it. There appears to be a total of 3 wells, 1 Domestic, 1 Stock and 1 irrigated. The irrigated well was requested to not be sampled, but we did sample the Domestic and stock.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
