1. Compensation for Operations: Release of All Claims

By signing this agreement the Surface Owner acknowledges this agreement as full and final settlement and satisfaction for any and all detriment, depreciation, injury, or damage of any nature to the Lands or growing crops thereon that may occur as a result of KMG drilling or completion operations or its continuing activities for the production or transportation of oil, gas, or other hydrocarbons or products associated with the foregoing including, but not limited to, surface use, access, mud and reserve pits, wellhead equipment, separators, tank batteries, pipelines, gathering lines, flowlines, pipeline interconnections, and any and all other reasonable or customary uses of land related to said operations or activities.

2. Acknowledgement of Right of Way and Easement

Surface Owner acknowledges and understands that KMG, as owner or lessee of the oil and gas estate for the Lands, owns an easement and right-of-way that burdens the Lands, and that KMG has a continuing right and entitlement to construct, own, operate, maintain, repair and replace all flowlines, gathering lines, other pipelines and related equipment that may be necessary or convenient to its operations on the Lands, including but not limited to, constructing, using and maintaining access roads, locations for surface equipment and subsurface gathering lines, pipelines and pipeline interconnections for its operations and activities; provided, however, KMG agrees that it will not construct pipelines in a manner that interferes with existing improvements on the Lands at the time the pipelines are proposed to be constructed.

Surface Owner further grants KMG the right to drill oil and gas wells on the Lands that may be horizontal, vertical or directional that produce and drain oil and gas from lands other than the lands covered by the oil and gas lease(s) that include all or a portion of the Lands and to locate, construct, use, and maintain surface equipment, including but not limited to flowlines, compressors, wellheads, and all associated production equipment and facilities, related to transportation of oil and natural gas from lands other than lands covered by leases pooled with the Lands.

Surface Owner further agrees that, Kerr-McGee Gathering LLC, an affiliate of KMG, or another third party gas gatherer designated by KMG, may exercise the easement rights described herein.

3. Waivers

Surface Owner hereby waives its right to and covenants not to protest or object to the use of the surface of the Lands so long as such use is consistent with this Agreement. Furthermore, Surface Owner will provide KMG or its successors and assigns with any and all written support they may reasonably require to obtain permits from the Colorado Oil and Gas Conservation Commission or any local jurisdiction.

4. Binding Agreement

This Agreement shall be binding upon the respective heirs, executors, administrators, successors, and assigns of the parties hereto.

The undersigned have executed this Agreement as of the day first above written.
