Dear Director:

The surface location of NEI's proposed well(s) has been staked outside of the 318A.a drilling window. The location is being permitted as an exception location. NEI has obtained written permission contained in the attached waiver from the surface owner.

Under the Revised Rule 318A.c any new twinning well is to be located within 50' of an existing well. The surface location of NEI's proposed well(s) has been staked greater than 50' from the nearest oil and gas well. Noble has obtained written permission, contained in the attached waiver, from the surface owner.

Noble respectfully requests that the COGCC review the enclosed information and approve the requested exception location waivers and Application for Permit to Drill the captioned well(s). Thank you.

Respectfully,

*Susan Miller*
