Re: Waiver Request
Township 7 North, Range 45W
Phillips County, Colorado

Kennedy State Well 11-36-7-45
Section 36, NESW

Dear Mr. Kelly:

In accordance with COGCC Rule 318B.a; "Wells shall be located at least three hundred (300) feet from the boundary of said quarter." The above mentioned well, which Omimex Petroleum is in the process of permitting for an October drill, is 250.23 feet from the East boundary line. The State of Colorado owns the minerals under Section 36 and Omimex Petroleum holds that lease.

I am requesting a waiver from this rule. Your help in this matter would be greatly appreciated.

For any questions or concerns I can be reached at 817-804-8902.

Very truly yours,

Michelle Lewis
