RE: Breniman Farms 16-B Pad
APD Objection
Township 6 North, Range 67 West, 6th P.M.
Section 16: NENW (Horizontal)
Weld County, Colorado

Ms. Stanczyk,

Extraction Oil and Gas received an objection to our well proposal for the above stated pad from Weld County School District on August 13, 2014. At that time we had Land Energy, acting on behalf of Extraction, contact the School District and secure a lease. Land Energy was successful in securing this lease at the end of August; however, the lease has yet to be assigned to Extraction.

I have spoken to the School Districts attorney, Lance Astrella, and they plan to withdraw their protest in the near future.

Should you have any other questions please do not hesitate to contact me.

Yours very truly,

Extraction Oil & Gas, LLC
