

The map displays a topographic view of a mountainous region with numerous contour lines. Key features include:

- Topographic Contours:** Elevation lines are labeled with values such as 4550, 4600, 4650, 4700, and 4750.
- Windmills:** Three windmills are marked with their elevations: Windmill 4623, Windmill 4607, and Windmill 4522.
- Seventy Holes Lake:** A blue-shaded area at the bottom of the map is labeled "Seventy Holes Lake" with an elevation of 4516.
- Section Numbers:** Red numbers 22, 27, 34, and 3 are scattered across the map, likely indicating land sections.
- Proposed Pad:** A specific location is marked with a black dot and labeled "PROPOSED PAD: ANSCHUTZ WINDMILL 10-34H EXT".
- Reference Area:** A rectangular area is outlined in red, labeled "REFERENCE AREA" with coordinates "LATITUDE 40.364047" and "LONGITUDE 104.320286".
- Grid:** A dashed red grid is overlaid on the map.
- Corner Markers:** The map is framed by blue corner markers labeled "T5N" (top-left), "R62W" (bottom-right), and "4" (bottom-center).
